

PREFACE

Owing to the demand for our original 2010 edition of *The Pahlavi Yasna of the Gāthās and Yasna Haptañhāiti*, which exhausted the copies printed, we thought it necessary to publish a 2nd edition. The edition incorporates various corrections, deletions and additions to the text. As a collaborative work, responsibility for writing of the different sections is as follows: Introduction, Glossary and Appendices I and II (W. Malandra); The Text (W. Malandra and P. Ichaporla)
